## THE GALLAUDET COMMUNITY RELATIONS COUNCIL WANTS YOUR OPINION

The Gallaudet Community Relations Council, which was established in the fall of 1976 for the purpose of strengthening relationships between Gallaudet and the Near Northeast Community, would like your comments in regards to the traffic situation along Florida Avenue and other streets bordering the campus.

Numerous accidents have occurred along Florida Avenue and some have involved campus vehicles. In addition, some pedestrians, including school age children, have been struck by vehicles. The GCRC would like your comments or suggestions in regards to this situation. Do you think traffic moves too fast, should caution lights be erected, or radar enforced? Send your replies to any one of the following Gallaudet representatives-- Ethel Bothuel, President's Office; Polly Mead, Planning Office; Michael Ralph, student; or Mike Kaika, A/PR Office.

## ART EXHIBIT

If you haven't stopped by the Office of Campus Ministries for your free donuts lately you might not be aware of the Lutheran Student Traveling Art Exhibition going on there now. The exhibit is sponsored by the Campus Ministries Office located in the Student Union Building. The art show will continue until Feb. 18.

## HOLD THAT SCRAP PAPER!

Pauline Peikoff wishes to thank all who have generously contributed scrap paper for the New Carrollton School. The school has more than it needs and wants to thank everyone who contributed.

## AND THEN THERE'S MAUDE!

On February 21, at 9:00 p.m. on CBS there will be an episode of Maude which delves into the difficult subject of public reaction, anger, intimidation, and fear of the handicapped. Nanette Fabray will play the role of an old school chum of Maude's who has suffered a stroke. In tender, humorous, and affectionate scenes the episode presents the gamut of emotions Maude suffers upon her discovery of her friend's disability.

## IT'S A GIRL!!!

Charles & Pat (Hunter) Thompson would like to express their thanks and appreciation to all of Pat's many friends at Gallaudet for their gifts, calls and other acts of kindness for the arrival of Chalena Patryce on January 27, 1977 at 2:31 a.m.

## LIBRARY TO SPONSOR A CONTEST

The Library would like to fancy-up the walls of the multi-purpose classroom that is sitting in the middle of the Library's main floor. They will be holding a poster contest for both the best original and best commercial poster. The Library student assistants will judge which two posters they think are best.
